**Ester-C®, The Better Vitamin C**

Patented Ester-C® increases levels of Vitamin C in the body - getting into white blood cells, an important part of your immune system. And because Ester-C® is buffered and non-acidic, it stays gentle on the digestive system.*

Once daily Ester-C® has your immune health covered.* It supports circulation, is beneficial to joints and connective tissues, helps reduce the premature aging of cells, and because Ester-C® absorbs into your system and stays there, you get 24-hour immune support and potent antioxidant activity in a once daily, 1,000 mg dose.* Helping to neutralize free radicals, Ester-C® also aids in nutritional absorption of iron and supports healthy skin.*

**The Ester-C® with Cranberry Difference:**
- **Powerful Nutrition In A Once Daily Formula**
- **24-Hour Immune Support of pH-neutral, non-acidic Ester-C®**
- **25:1 Concentrated Whole-Food Cranberry Extract**
- **No Genetically Engineered or Modified Ingredients**
- **100% Pure Ingredients**

A variety of factors can lead to imbalances in your body everyday. Ester-C® with Cranberry combines the 24-hour immune support of genta, non-acidic Ester-C® Vitamin C with the powerful concentration of a 25:1 whole food purified cranberry extract.* In a once daily serving, you can now benefit from whole food cranberry combined with patented Ester-C®.*

Ester-C® with Cranberry, Cranberry & Immune Health Complex® offers both convenience and potency to ensure continued effectiveness from day to day while maintaining overall health.* It contains no genetically engineered or modified organisms, assuring you of the highest quality of ingredients as nature intended.
