The Better Vitamin C®

Ester-C® delivers 24-hour immune support and potent antioxidant activity...365 days a year.*

Patented Ester-C® increases levels of Vitamin C in the body—getting into white blood cells (an important part of your immune system), and staying there longer than regular Vitamin C.* One Ester-C® is equivalent to taking 1-2 of the regular vitamin C supplements—so you don’t have to take multiple vitaminc cocktails to meet your needs.*

Ester-C® also aids in the nutritional absorption of iron and works with other nutrients to promote overall health.* Along with essential B vitamins, such as B-6 and B-12 to support transport of iron, Ester-C® contributes to healthy red blood cells.*

Clinically studied to stay in white blood cells longer than regular Vitamin C.* One Ester-C® has your immune support in a delicious, natural orange flavored drink—so you’re covered.* Now more than ever, Ester-C® offers great value, great taste, and great convenience.
